OUR BOAT

Inspired by our forefathers,
Missy has been locally crafted with Fijian
Calophyllum Leucocarpum composition
which allows for a perfect durability. She is 28 feet
in length, 7 feet wide and offers ample shelter with
comfortable seating.

OUR PRODUCT

Boat Trips Fiji offers spectacular Snorkelling,
Island Hopping and Fishing Excursions.
The allure of fringing reef system is incredible and never disappoints even the most experienced.
Fishing is equally fascinating in the Mamanuca waters. Whilst we guarantee catch during Night Fishing only, the experience of Trolling and Popper Casting is ultimate. We invite you to come join our team for a moment of fun.
